

# EMBL in Australia

Join EMBL staff, alumni, their colleagues and networks for an exciting programme of science talks focusing on resources and opportunities at EMBL and in Australia

**Monday 2 September 2019**

**QIMR Berghofer Medical Research Institute, Brisbane**

**Free registration: [www.embl.org/alumni/australia2019](http://www.embl.org/alumni/australia2019)**

**Contact Mehrnoosh Rayner: [alumni@embl.org](mailto:alumni@embl.org)**

## Speakers include:

Maté Biro

Group Leader, EMBL Australia and University of New South Wales, Sydney

Michelle Boyle

Team Head and EMBL Australia Group Leader, QIMR Berghofer Medical Research Institute, Brisbane

Anne Ephrussi

Head of Developmental Biology Unit, Head of EICAT and Senior Scientist, EMBL, Heidelberg

Yann Gambin

EMBL Australia Group Leader, University of New South Wales, Sydney

Frank Gannon

Director and CEO, QIMR Berghofer Medical Research Institute, Brisbane

Melissa Little

Theme Director, Cell Biology and Group Leader, Kidney Regeneration, Murdoch Children's Research Institute, Melbourne

Andrew Lonie

EMBL Australia Bioinformatics Resources and Australian Bioinformatics Commons, University of Melbourne

David Lynn

Director, Computational & Systems Biology Programme, Precision Medicine Theme, South Australian Health & Medical Research Institute and Professor, Flinders University, Adelaide

Edwina McGlenn

Associate Professor and EMBL Australia Group Leader, Australian Regenerative Medicine Institute, Melbourne

Rob Parton

Professor, NHMRC, Senior Principal Research Fellow, FAA, Institute for Molecular Bioscience and Centre for Microscopy and Microanalysis, The University of Queensland, Brisbane

James Whisstock

Scientific Head, EMBL Australia and Director, ARC Centre of Excellence in Advanced Molecular Imaging, Monash University, Brisbane

The European Molecular Biology Laboratory (EMBL) is one of the highest ranked scientific research organisations in the world with 1600 employees from more than 80 countries, operating across six sites in Heidelberg, Hamburg, Grenoble, Hinxton (near Cambridge), Rome and Barcelona.
