

# Proteomics Core Facility Service Request Form

email: [pcf@embl.de](mailto:pcf@embl.de)  
phone: (+49) 06221-3878167 | 3878388  
lab: V215  
website: [www.embl.de/proteomics](http://www.embl.de/proteomics)

- BEFORE sending any samples, please fill out this form and send it to [pcf@embl.de](mailto:pcf@embl.de)
- Next, contact us by phone or in person, so that we can discuss the best approach for your project.
- Always inform us when you send off your samples so that we can store them appropriately upon arrival. Please include a print of this form.

**Name:**

**Group:**

**Email:**

**Phone:**

**Budget number:**

**Describe your sample as detailed as you can.** The more we know, the better we can design our analysis. Fill out the fields that are relevant for your sample, and use the free-text box for any additional information you might have.

Nature of the sample:

Database accession number:

Organism:

Expression host:

Molecular weight (kD):

Estimated amount/concentration:

Buffer composition:

I have a gel-image available. *Please send it along with this form.* Storage temp:

**Additional information**

(e.g. expected contaminants, purification history, fusion protein, known PTMs, truncation, mutation, etc):

**Describe what you want to know about your sample:**

---

PCF staff only

Arrival date  
Project nr
